DIVISION OF LIBRARIES
ANNUAL REPORT
FY 1986

The objectives of the Division of Libraries include improving library services (1) in and through the State's public libraries, (2) to persons with or without adequate access to public libraries, (3) to blind and physically handicapped readers, (4) to all citizens through interlibrary cooperation among all types of libraries in the State, and (5) to equitably disseminate available grant money according to clearly defined Departmental rules and regulations.

The Division's programs of direct public service were maintained at or above the previous year's levels: 16,172 items circulated from the Division's collections, 31,431 books were circulated by the Kent County bookmobile (under contract with Kent County), 34,329 paperbacks were mailed out by the Books-by-Mail program, 47,839 talking books were sent to approximately 1,000 blind and physically handicapped readers, and 19,127 reference service. The summer Funmobile provided materials and programs to about 4,500 children and youngsters in disadvantaged areas.

The Division's programs directly supportive of public and other libraries in the State included 1,186 out-of-state interlibrary loan transactions, and 54,344 books and other materials delivered to them.

Ground breaking for a new public library in Lewes was held on June 29, 1986.

With support of LSCA federal funds, the Dover Public Library began construction of an addition to its building which will increase its space by approximately 40%.

State aid grants in the amount of $295,600.00 were awarded to the 27 public libraries and two county bookmobiles.

Title I grants awarded $10,100 to the Dover Public Library for a children's librarian, $12,165 to the Milford Public Library for a young adults' librarian, and $4,250 to the Corbit-Calloway Memorial Library (Odessa) for a literacy project.

Title II grants for construction projects begun in FY'85 and completed in FY'86 included:

Georgetown	$10,681.00
Laurel	$21,000.00
Milford	$16,700.00
Rehoboth	$134,118.00
Dover	$148,936.00

Title III FY'86 grants to encourage and support interlibrary cooperation were awarded for retrospective conversion projects to:

Delaware Technical & Community College - Dover	$2,575.00
Delaware Technical & Community College - Georgetown	$4,970.00
Delaware Technical & Community College - Georgetown	$2,438.00
Widener University	$8,383.00
Corbit-Calloway Memorial Library	$1,846.00
New Castle Public Library	$1,555.00
Seaford District Library	$2,844.00

Title III FY'86 grants to provide interlibrary loan services were awarded to each of the three county networks:

Kent	$2,430.00
New Castle	$7,965.00
Sussex	$3,205.00

In addition, the COM union catalog was provided to 116 libraries at a cost of $36,000.00.

A change in the Division Director in March 1986 was accomplished with no disruption of programs or services. Improved procedures were instituted for programs and fiscal control, and new evaluative measures are being developed.

The State Library Advisory Council, with nine newly appointed members began working to develop an updated five-year plan and to update standards for public library service to include physical facilities criteria and guidelines for construction projects.

Improved library services and updated library facilities were achieved during Fiscal 1985.

LIBRARY SERVICES AND CONSTRUCTION ACT - TITLE II: Funded under the Emergency Jobs Bill, LSCA provided the resources to renovate a former warehouse into a modern public library for Rehoboth Beach, to make the Laurel and Milford public libraries handicapped-accessible with ramped entrances and remodeled restrooms, and to promote energy efficiency at the Georgetown Public Library.

LIBRARY SERVICES AND CONSTRUCTION ACT - TITLE I: A new federally funded literacy initiative has begun in Kent and Sussex counties. Public Libraries are recruiting volunteer reading tutors to address the problem of more than 50,000 functionally illiterate Delawareans. LSCA Title I grant monies were awarded for literacy projects for Appoquinimink, Corbit-Calloway and Delaware City public libraries.

STATE AID: The Special Services for the Blind and Physically Handicapped was funded by the General Assembly $29,500, to automate circulation of talking books and machines. A third coordinator was added to provide assistance to visually impaired and physically handicapped readers in Kent County. State aid to public libraries was increased to $295,600 which was a 10% growth over the previous fiscal year.

"LET'S TALK ABOUT IT": Adults were encouraged to explore literature in depth at their public libraries through the Delaware Humanities Forum funded series of humanities based book discussions known as "Let's Talk About It." Comments from public and scholar participants have identified this public library project as meeting a community need for increased learning experiences.

LIBRARIES' EDUCATION PROGRAMS: Library Staffs attended workshops on "Marketing Your Library" an introduction to new techniques used successfully in Maryland and New Jersey libraries; and a multi-part program on a step-by-step process to production of "Annual Reports". To establish a benchmark against which public library services could be evaluated in the future, the Division employed the University of Delaware, College of Urban Affairs and Public Policy, to conduct a survey of the quality of library services in Delaware's public libraries. The findings of the survey have pointed to the need for additional reference training for public library personnel. This need will be addressed in continuing education programs provided by the Division.

**OTHER LIBRARY SERVICES UTILIZED BY DELAWARE RESIDENTS:

Phone Difficult Questions (PDQ) toll-free telephone reference

Summer Reading Program "Roll Into Reading"

Funmobile (visits to 23 low-income housing sites)

Film Services

Multitype Library Cooperation (under the leadership of county networks - KLN, LINCS, and SHORE)

TELEPHONE (302) 736 - 4748

The Honorable Frances M. West
Secretary
Department of Community Affairs
156 S. State Street
Dover, DE 19901

Dear Secretary West:

The 1985-1986 term of the State Library Advisory Council has been a busy one which has seen many changes. The attention of the Council was focused primarily on the issue of indirect costs to be assessed against Title I of the Library Services and Construction Act grant. However, other Council activities were as follows:

The Council heard presentations for Helen K. Foss, Education Advisor to the Governor; Nancy Minnich, who presented the DELINET Proposal to the Council; and Elaine Wilner, representing Delaware Citizens for Better Libraries. As a result of these presentations, the Council prepared a commentary on the DELINET Proposal, and is working on a position paper for Mrs. Foss concerning the usage of public and academic libraries by school students for their class work. This paper should be completed by the end of 1986.

Council approved the report of the LSCA Title III committee which added criteria to the original priorities. These criteria are used as guidelines in Council's evaluation of LSCA Title III grant proposals.

In accordance with the Library Services and Construction Act and the Delaware Code, the State Library Advisory Council recommended that the following projects be funded: the payment of interlibrary loan costs for the three county networks, KLN, LINCS, and SHORE; and delivery service for the New Castle and Sussex County library networks, LINCS and SHORE. Also recommended for funding were the retrospective conversion of the Seaford District Library, and the New Castle Public Library; and the purchase of three microfiche readers for new SHORE members. These are all Title III project proposals for multi-type library cooperation.

It was with great pleasure that I welcomed the following appointees to the Council: Emperatriz Alaix, Richard Aydelotte, Atlanta Brown, Dr. Daniel Coons, Esther Downes, Carol Fitzgerald, Dr. Edward Goate', Clella Murray, and Mary Peirson.

Regretfully, there were a number of resignations from the Council this year. All contributed greatly of their time and energy to the Council, and I felt fortunate to have worked with them. They are: Joe Gates, Ray Gehrt, Brenda Kaiser, Katherine Hill, Carmen Nelson, Edward Salevan, and Lee Shipman.

Respectfully submitted,

Joanne Bennett
Chairperson
State Library Advisory Council
